

Follow this helpful diagram to assist in assembling your invitation suite for mailing.

TIPS

- > If your invitation has printing on the front, place all the enclosure cards face-up on top of the invitation.
- > If your invitation is folded with the wording printed inside, place all enclosure cards face-up over the wording inside the first fold.
- > After placing the invitation and enclosure cards printed side up into the inner envelope, insert the inner envelope into the outer envelope with the front of the inner envelope facing you.
- > If you don't have an inner envelope, place all enclosure cards face-up on top of the invitation and insert into the outer envelope.
